

ART CONTEST:  
**GROW TOGETHER, STAY TOGETHER**  
*OVERCOMING COVID19*

We are all going through some very challenging times amid COVID19 crisis. We are facing daily struggles and just hope to encourage and help each other get through this together as we stay safe. Art Time Studios is delighted to announce the art contest winners that help illustrate positive humility as we help each other through COVID19 relief.

There were many outstanding entries but only three made the top list for each age group category. These illustrations personify encouraging storytelling to help support our frontline responders and all those who help better our lives together. Art winners will be sponsored on behalf of ATS with donations already made to support COVID relief and will also have their complimentary gifts ready and waiting. Thank you to all who have participated!

**CONGRATULATIONS TOP 3 WINNERS!**

Alice O.

*“We should all come together and thank our first line responders for working tirelessly both day and night under any circumstances. They are our true heroes.”*

Myra S.

*“I wanted to draw something that would show gratitude towards the people who are risking their lives right now to save us from COVID. A picture of hope and safety.”*

Vrinda I.

*“In these tough times, frontline workers are the real superheroes. My artwork is a tribute to my aunt who is working in the ICUs in New York.”*
